

OWLYPIA - COOKIE POLICY

Effective Date: 2026

1. What Are Cookies?

Cookies are small text files placed on your device when you visit our website. They help us ensure the website functions properly, enhance your user experience, and analyze how our platform is used.

2. How We Use Cookies

Owlypia uses cookies for the following purposes:

- **Essential Cookies:** Strictly necessary for the website and Learning Management System (LMS) to function securely. These cannot be switched off. When a card payment is made, Stripe may place strictly necessary cookies or similar technologies on the payment page to process the payment securely and to detect fraud. These are not used for advertising.
- **Performance & Analytics Cookies:** Help us understand how visitors interact with our website by collecting and reporting information anonymously.
- **Functionality Cookies:** Allow the website to remember choices you make (such as language preferences).

3. Children and Cookies

In accordance with our [Privacy Policy](#), Owlypia does not use logged-in child accounts for behavioral advertising or tracking. Marketing and targeting cookies are strictly disabled for user accounts registered to students under the age of 18.

4. Managing Your Preferences

You can manage or disable cookies at any time through your browser settings. Please note that disabling essential cookies may prevent you from accessing certain features of the Owlypia platform.
